Program details:

Want to improve your resume and increase your chances of getting an interview? This practical workshop will help you communicate your skills, experience, and strengths effectively, tailor your resume to specific opportunities, and avoid common mistakes that can weaken your application. You'll also learn how AI can support resume development and review. In partnership with Graham Dover, a certified career coach. Suitable for adults creating, updating, or tailoring a resume for future opportunities.

Location: ParkLane Room
